

A message from our Mayor...

The Martin Business Association (MBA) has been a goal of mine for many years and I'm excited to see it coming to fruition.

Through the MBA, businesses and organizations will develop a more cohesive relationship that will provide exciting opportunities for local residents and attract new people to the Martin community.

The City of Martin Board of Mayor and Aldermen strongly believes in the MBA and has expressed its support by designating \$5,000 in the 2007/2008 budget for the MBA's ground breaking year. This money will allow the MBA to operate for one year without requiring dues from its members.

I hope you will consider being a part of the Martin Business Association. Your participation is truly an investment in the future of Martin!

*"The Martin Business Association-
building a better Martin
one customer....one business....
one experience at a time."*

Sincerely,

Randy Brundige, Mayor
